**Comments:**

Hello my name is Zipp. I use they/them pronouns and I am transgender nonbinary.

At what point do I go from someone you protect to someone who is a threat? Not based on who I am or any of my actions but just based on my private parts.

I deserve to age without fear that the bathroom or change space that allows me to feel safe and at peace be taken from me. I deserve to become an adult that has freedom to the change room I need. I deserve this right now and for my future so I urge council to allow all transgender people access the bathrooms and change rooms they need.
