**Comments:**

I am writing in opposition to the proposed road closure at Main and Clarence. I have lived within 1 block of main and Clarence for 30 years and have never had a problem there. While the city has attempted this closure three times in

that time period, I have yet to see or hear an accident at that intersection. I have also never had a conversation with my neighbours in which anyone expressed a concern regarding that intersection. If main is closed to through traffic at Clarence, traffic will be diverted most likely to 10th Street, resulting in increased traffic.

I urge council to reject this pointless change. It will be an unnecessary expenditure for little gain on Main and a likely shift to other nearby streets. Let's settle this nuisance complaint once and for all.
