Comments:

As an owner at Wolf Willow Cohousing 530- Avenue J South, I wish to state my objections to the building of the "17th Street Extension from 11th Street West to Avenue P South"

Traffic evaluations have shown that it is not needed as existing routes handle the traffic requirements.

Living at Avenue J and 17th Street we already experience accident hazards every day if we try to enter 17th Street. More traffic on 17th St. will only bring pollution, accidents, noise, and congestion. Plus your traffic planning staff have never yet explained where all this extra traffic is supposed to go. (Into what was the FARMERS MARKET ??) This possible extension of 17th Street West, will cost several million dollars of tax payers money, that could certainly be better spent elsewhere !! (Example Public Housing)
