**What agenda item do you wish to comment on ?:** Possible Traffic increase on 17th street west

**Comments:**

Traffic using 17th Street west / feeding onto Spadina cres west has increased substantially over the decades while we have lived here.the closing of Ave h to accommodate the water treatment plant created the first wave of traffic congestion.

We have no interest in semi trucks being accommodated to use this route. The corner by the Legion hall ( Spadina and 17th) has been redesigned during the past few years and continues to be a confusing dangerous corner for vehicles and pedestrians.
