

STANDING POLICY COMMITTEE ON ENVIRONMENT, UTILITIES AND CORPORATE SERVICES

Greenhouse Gas Reduction Targets and Low Emissions Community Plan 2024-2025 Refresh

Recommendation of the Committee

1. That the City update its long-term greenhouse gas reduction target to net-zero by 2050;
2. That the City use a science-based approach to set interim targets through the 2024-2025 Low Emissions Community Plan Refresh; and
3. That \$250,000 from the Environmental Sustainability Reserve be used to fund the 2024-2025 Low Emissions Community Plan Refresh in 2024, and that this be considered at the 2024-2025 Multi-Year Business Plan and Budget deliberations.

History

The Standing Policy Committee on Environment, Utilities and Corporate Services, at its meeting held on April 4, 2023, considered a report from the Administration regarding the above.

In addition, your Committee also resolved that the report be forwarded to the Saskatoon Environmental Advisory Committee for feedback.
