8.2.2 Housing Accelerator Fund

To GPC Committee Members,

The Housing Accelerator Fund (HAF) is a great opportunity for the City of Saskatoon to remove barriers and support the development of affordable, inclusive, equitable and climate-resilient communities.

The Action Plan that is required for the HAF submission (see attached) includes more detail than what is presented by Administration in Appendix 2. Can Administration please provide the following details for each of the initiatives:

- Estimated costs for implementing the initiative
- Estimated number of permitted units the initiative will incent

If the City of Saskatoon IS successful in securing the HAF funding for the 6 initiatives that are "underway", will an equivalent amount be reallocated to unfunded projects, assuming that the budget has already been approved for the underway initiatives?

If the City of Saskatoon IS NOT successful in securing the HAF funding, what will be the impact on the 6 initiatives that are "in development"?

Thank you,
Sherry Tarasoff
