Comments:

Good morning,

Has a part-time transit rider I would love for this to happen to have support workers on some transit routes during the busy hours of the day. Some routes I believe that need these support workers is down 20th Street 22nd Street and most definitely I think is in Fairhaven and in and around the Confederation Mall and Superstore. And even when the high school students are done school at 3-3:30pm. I know the people who ride the bus full-time would feel a lot better I would be a better and safe if we had support workers on the busses and the transit operators will also feel a lot better too. So I'm 100 percent on board with this and would like for this to become a reality. Thank you for your continued support of Saskatoon Transit and the citizens of Saskatoon. Keep it up.
