ISSUE

As the City of Saskatoon (City) heads into its planning for the 2024 and 2025 Business Plan and Budget Cycle, there continues to be several budgetary pressures the City is facing. This report will provide information and Administrative recommendations on the Taxation and General Revenues Business Line.

This process has been established so that City Council can provide early direction to the Administration, on what to include in the 2024/2025 Preliminary Business Plan and Budget which will be considered by City Council in November 2023 during the 2024/2025 Business Plan and Budget deliberation meeting.

BACKGROUND

At its March 15, 2023 meeting when considering the [2023-2025 Budgetary Pressures and Trends](#) Report, Governance and Priorities Committee (GPC) resolved in part:

“That Administration report back on a potential special budget meeting process to address some of the budgetary challenges and pressures for the upcoming two-year budget cycle. That this report include recommendations on using the existing Governance and Priorities Committee/Finance Committee meeting schedule vs. having special budget/Finance committee meetings and recommendations for organizing these special budget meetings based on departmental budgets or based on service lines or some combination.”

At its April 12, 2023 meeting when considering the [2024/2025 Business Plan and Budget Process Report](#), GPC resolved:

“That Option 3 be approved, and the City Clerk’s office be directed to schedule Special Budget Meetings for the presentation of Business Line-based reports if the Governance and Priorities Committee Capacity does not exist as outlined in the April 12, 2023 report of the Chief Financial Office.”
