Subject Budget Deliberations - Low Emissions Community Plan

Meeting (if known) council budget deliberations, 25 November 2019

Comments

SEAC would like to speak at the budget deliberations meeting, regarding funding of items related to the Low Emissions Community Plan. We previously submitted a letter on this, which was attached to the Governance and Priorities Committee agenda 21 October 2019: 7.1.4 2020/2021 Business Plan and Budget Capital Prioritization Process.
