

# **STANDING POLICY COMMITTEE ON PLANNING, DEVELOPMENT AND COMMUNITY SERVICES**

---

## **Housing Program Update**

### **Recommendation of the Committee**

That Council endorse City of Saskatoon involvement in future Homelessness Planning in partnership with community and other levels of Government, similar to what was done in previous Homelessness Planning work. Resourcing requirements to support this work should be brought forward as opportunities and needs are identified.

### **History**

The Standing Policy Committee on Planning, Development and Community Services, at its meeting held on August 9, 2023, considered an information report of the Community Services Division regarding the above and puts forward the above-noted recommendation.

In addition, your Committee resolved that the Administration be directed to engage targeted conversations with community partners, beginning with the Community Advisory Board on Homelessness to identify the best role for the City in the planning and execution of a future Homelessness Action Plan.

The Committee received a presentation from Cameron Choquette, Saskatchewan Landlord Association, regarding the matter.
