Comments:

I want to speak to 1) the Council's and administration's contempt for and misinformation about the founding prime minister of Canada, 2) to the contempt for and the disrespect of the residents of the street and the citizens of Saskatoon who have not been consulted in a meaningful and democratic way, and 3) the mockery of the concept of "reconciliation" when City Council makes important and historically significant decisions without meaningful participation by its citizens. (Please advise me when I will have the next opportunity to speak on this topic.)
