Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

Historial figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Sincerely,
Mr. Tim Coolican

Message:

To the Saskatoon mayor and all city council: This is in regards to changing the street name of John A. Macdonald Road. Please leave it as is. We all make some poor life choices, we can learn from history, erasing a name doesn't help us learn but makes us all ponder how we, living in the present, can learn to make better choices. Plus, the City of Saskatoon has so much debt. Changing street names is very costly-we cannot afford this. I am a resident of Saskatoon and I do not want my hard earned money going to such a ridiculous cause.

Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

Well, I thought I had seen everything, as we go all a-historical in Canada. We need our history, in order to foresee our future. The historical totality of our country is important, crucial. Without it we are marooned in some kind of vacant present, forming opinions on partial knowledge. Historical figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Historial figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. It is profoundly disrespectful of past civic governments and citizens to re-name what they created and named. City council should stick to naming works that they themselves have created and leave the historical record alone. Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

Historial figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Sincerely,
Miss Patti Boruch

Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

Historial figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road. This city council cannot afford unnecessary costs involved in changing the name of this long standing street. There is not a single politician who has made NO mistakes. ALL have made good and bad contributions to our great nation. Yes, I agree that residential schools wounded many, however not EVERYTHING that Sir John A MacDonald did was bad. He accomplished much good as well. We should not try to ERASE the negatives in our history, but rather we should learn from them. Give him some credit and respect for that which was GOOD in his contributions to Canada.

Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

Stop trying to erase history. Historical figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Sincerely,
Ms. Ann Marie Harder

Re: Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Mr. Saskatoon City Council

I lived on that street for many years. Leave our history alone. Don't erase our history. I'm quite confused here. You are taking on the past guilt because you don't fully understand our history and in order to atone for a guilt that isn't even yours or even valid, you are just going to erase history? Respectfully, you should not be on the city council. Historical figures should not be judged through the social justice lens of today. Canada wouldn't exist without its founding father and first prime minister. Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road.

Sir John A Macdonald brought together a united Canada and for that accomplishment, he should be respected and at the very least, not erased. Please do not change the name of Saskatoon's Sir John A Macdonald Road. Your zeal to push an ideology at every level of existence is costing taxpayers precious dollars. Please focus on the essential services and not on revisionist history or fawning over current virtue signalling issues. These victim class topics will never run out till the end of time and you will have wasted your mandate on image and have no record of substance except for flagrant waste of our time and money. Please read Greg Piasetzki from March 23, 2023 in the Western Standard for another look at this cancel culture by a senior Toronto lawyer. You would do us all a favour.
