Comments:
I would like to speak in support of the renaming of John A MacDonald Road. As the Director of Reconciliation Saskatoon, I am deeply engaged in learning and programming that brings non-Indigenous and Indigenous peoples together to develop a shared understanding of our history. I believe the renaming of John A MacDonald Road moves us closer to a Vision of Reconciliation. While this action may arouse resistance in some community members, we need to remember the Truth and Reconciliation Commission's 94 Calls to Action and our collective responsibility to respond with action, education and relationship-building.
