**Subject:** RE: For Review: Vehicle Noise Mitigation Study Final Report – September 2023 Update

Hello Mariniel,

Please consider this a letter of support for SGI's new program for vehicle noise testing. It provides police officers in Saskatoon another viable option for dealing with excessive vehicle noise. SGI has safe areas to conduct the noise testing, and staff trained in the testing procedure and use of the equipment. SGI also has the power to deny vehicle registration renewals if the noisy vehicles are not returned to a reasonable state.

The SPS Traffic section simply doesn't have the manpower or time to conduct noise testing on vehicles. We have multiple options for charges under the bylaw and TSA, and we appreciate SGI offering their staff and facilities for testing.

Sgt Jason Jacobson #551  
C/D Traffic  
Saskatoon Police Service

**Importance:** High

Gents,

For your review and input if you should have any. Respond direct to Mariniel and cc myself &/or Dale.

Mike

Hello Sergeant Horvath.

I'm working on the *Vehicle Noise Mitigation Study Final Report – September 2023 Update* Report. The report and appendices are attached for your review.

We thought that you may want to provide a letter of support for SGI's program or attend the committee meeting.

It'd be great if you could send comments by **Monday, July 17<sup>th</sup>**. Thanks!

**Mariniel Flores-Vongkhamchanh, P.Eng.**
