

# STANDING POLICY COMMITTEE ON TRANSPORTATION

---

## Vehicle Noise Mitigation Study Final Report – October 2023 Update

### Recommendation of the Committee

1. That a noise level limit of 101.3 dB for motor vehicles be added to Bylaw No. 8244, The Noise Bylaw to align with SGI's vehicle noise policy;
2. That the noise level limit for motorcycles be increased to 101.3 dB in Bylaw No. 8244, The Noise Bylaw to align with SGI's vehicle noise policy;
3. That the Noise Bylaw be updated to extend the ability for police officers to order sound testing of both motorcycles and motor vehicles and to create the corresponding offence for failure to comply with such an order;
4. That the City Solicitor be requested to prepare the appropriate bylaw amendments to Bylaw No. 8244, The Noise Bylaw, effective January 1, 2024; and
5. That the Mayor, on behalf of City Council, write an appreciation letter to SGI and the Ministry responsible for their work on this matter.

### History

The Standing Policy Committee on Transportation, at its meeting held on October 3, 2023, considered a report of the Transportation and Construction Division regarding the above.

### Attachment

October 3, 2023 report of the Transportation and Construction Division.
