Comments:

As an home owner in Grosvenor Park, I am vehemently opposed to any zoning changes in Grosvenor Park. We are already lacking sufficient parking for residents. In addition to greater amounts of traffic with speeding incidents, there are regular concerns with vehicle safety. When I purchased my home in this area, it was with the understanding of having a quiet family neighborhood with large lots, close to amenities and beautiful mid century homes. As a result the property value reflected these attributes.

I am not in favour of re-zoning our area and the home owners should be allowed to maintain and grow property value with our existing zoning plan.
