**What agenda item do you wish to comment on ?:** City council Regular Business Meeting

**Comments:**

With consideration of the Emergency Residential Shelter set to open at 1701 Idywyld Drive North. As a business in the neighborhood of where the city plans to open this shelter for the homeless, we want to express our concerns with the effects this shelter will bring to our business. Western Millennium Collision and Western Gas and Diesel will be within walking distance to proposed Homeless shelter and we fear that theft and vandalism to our property and our valued customers property will increase. In the past and presently we are already experiencing a issue with vandalism and theft at our business and we only foresee it becoming worse. Although the idea of having a homeless shelter is great to clean up the streets of Saskatoon. We feel as a business that this will have a huge affect on unwanted trespassing which almost always ends up with a cost from theft and vandalism to us as a small business. Will the city of Saskatoon take responsibilities for damages/losses to the neighborhood residents and businesses that will surely suffer in having a homeless shelter within walking distance?

**Will you be submitting a video to be vetted prior to council meeting?:** No
