**Comments:**

I have some concerns regarding the new proposed emergency shelter going into the old Liquor store on Idylwyld. I agree we have a need for this kind of service but I'm concerned is this going to become a catch and release or are these people who are being held until they can be sent to the appropriate place.

Idylwyld has really suffered in recent years, Harry Bailey is shut down for an unknown amount of time and the level of boarded up houses across from the 7-11 is very concerning. We don't need anything else to make the neighbourhood worse. I have great neighbours and love the home I'm in but if the theft and uneasiness that comes with living in this neighbourhood continues to get worse I will have no other choice to move.
