

# STANDING POLICY COMMITTEE ON TRANSPORTATION

---

## Neighbourhood Bikeways 30 km/h Speed Limit Policy

### Recommendation of the Committee

That the direction of City Council issue.

### History

The Standing Policy Committee on Transportation, at its meeting held on December 5, 2023, considered a report of the Transportation and Construction Division regarding the above. Various letters were received and considered are appended to the Standing Policy Committee on Transportation agenda.

The Committee received presentations from the following:

- Gordon Holtslander, Saskatoon Cycles
- Greg McKee, Bike Doctor

Your Committee has referred this matter to City Council for consideration and direction.

### Attachment

- December 5, 2023 report of the Transportation and Construction Division
