Comments:

To the Standing Policy Committee on Transportation,

I am writing in support of the report recommendation to approve a policy for all neighbourhood bikeways in Saskatoon to have a posted speed limit of 30 km/h.

As a long time and keen cyclist, I know a reduced speed limit on these corridors would increase safety, reduce accidents and injury, and generally create a more welcoming environment for all users. I've witnessed many more people using bicycles in recent years and I would like the City of Saskatoon to do as much as it can to make the streets safer and more safe and welcoming for cyclists.

I strongly encourage this committee to forward this recommendation to City Council. It is a low-investment decision with very high returns.

Thank you for the opportunity to submit comments regarding this matter.
