**What agenda item do you wish to comment on ?:** 7.1.1. Options for the Review of Minimum Parking Regulations

**Comments:**

There must be an Option 5 included -"To make no changes to minimum parking requirements". It is inappropriate that this Option 5 has not been included. The Report itself states that limited engagement was undertaken and that the bulk of that was with industry groups. The Report is dismissive of the negative effects all 4 of the Options it currently presents will have on neighbourhoods and residents, especially those with such parking congestion already that they require RPPs.
