What do you wish to do ?: Submit Comments

What meeting do you wish to speak/submit comments ? (if known):: 7.2.3 Neighbourhood Bikeways 30km/hr Speed Limit Policy

What agenda item do you wish to comment on ?: Adjustments of speed limits on strategic streets to improve cyclist safety.

Comments:

I am in favour of the reduced traffic speed for the following reasons:

- discourages high volume and speed of vehicular traffic
- creates a more welcoming and inviting environment for cyclists
- allows all parties to see each other well in advance
- gives all parties more time to react to the unexpected
- mitigates, in the worst case scenario of a collision, the severity and extent of injury

If future city planning if it can be designed with dedicated paths that would be even better. I'd prefer that over the risks shared lanes plus I know some people who drive prefer not to have shared lanes as it creates an obstacle for drivers at times.

Thanks
