Comments:

I have read with interest the proposed policy on Reduced Speed Limits for Neighbourhood Bikeways and that the speed limit would be 30km/h. That is an impressively comprehensive report and complements to the staff that have prepared it.

I drive, bike and walk (and even scooter) throughout the city and support measures to increase the safety of all modes.

I encourage you to fully support the adoption of this policy as a highly cost-efficient way of increasing the safety and comfort for people riding bicycles on neighborhood bikeways.

Don Cook, P.Eng.
