Comments:

To the Standing Policy Committee on Transportation,

I am writing in support of the report recommendation to approve a policy for all neighbourhood bikeways in Saskatoon to have a posted speed limit of 30 km/h.

As a regular bike rider, I feel that a reduced speed limit on these corridors would increase safety, reduce accidents and injury, and generally create a more welcoming environment for all users.

Higher rate of enforcement of these speed limits is also required as I often see cars speeding in the 30km/hr zone in front of my house on 11th St E, which is next to the Nutana high school.

I strongly encourage this committee to forward this recommendation to City Council. It is a low-investment decision with very high returns.

Thank you for your consideration,

Eduardo Marquez (Ward 6)
