Comments:

Importance of 23rd street to Mount Royal residents. We use this street to access all the businesses on the north side of 22nd without going onto 22nd. This street serves as a detour when something happens on 22nd going west. This summer during the standoff for most of the day, 100's of cars used our street as a detour.

Will you be submitting a video to be vetted prior to council meeting?: No
