**Comments:**

I strongly support a reduced speed limit of 30 km/hr on the designated Neighbourhood Bikeways. I take personal pride and responsibility in encouraging youth to cycle to school from across the city. The Neighbourhood Bikeways projects allow for more AAA facility access to a variety of locations frequented by youth on bikes. Failure to move this cost-effective plan forward will remove these streets from the AAA Network which goes against the goals of our Active Transportation Plan and the city's mode share targets.
