**Comments:**

I attended the open house on June 13th and was flabbergasted at how many people were firmly opposed to the proposed bike lanes. I didn't encounter a single supporter. So in light of the city deficit and desire to increase taxes I am dumbfounded as to why the city is still planning to move ahead with a project no one want and the city cannot afford? Furthermore, Avenue C N and Circle Drive intersection is extremely congested as it is, I see it every morning on my way to my office at 2366 Ave C North. The bike route/path will most certainly worsen the congestion. This project needs to be scrapped and an alternative route looked at in the future that does not impede traffic on one of the most congested intersections in Saskatchewan.
