Comments:

To the Standing Policy Committee on Transportation,

I am writing in support of the report recommendation to approve a policy for all neighbourhood bikeways in Saskatoon to have a posted speed limit of 30 km/h.

As a regular bike rider, I feel that a reduced speed limit on these corridors would increase safety, reduce accidents and injury, and generally create a more welcoming environment for all users.

Cyclists are vulnerable road users. We need to make the roads safe for everyone not just car drivers wrapped in thousands of pounds of metal with airbags surrounding them.

I strongly encourage this committee to forward this recommendation to City Council. It is a low-investment decision with very high returns.

Thank you for your consideration,

Erin Edwards
Ward 8
