What agenda item do you wish to comment on ?: 7.2.3 Neighbourhood Bikeways 30km/hr Speed Limit Policy

Comments:

I support the proposal to reduce the speed limit to 30k/hr on certain roadways. I don't see a lot of downside to this proposal, and lots of upside. We need places where kids (in particular) can bike safely for transport - without jumping straight into 50k/hm traffic. I would definitely increase my biking if there were some of these bikeways where the speed limit is lower.

The benefit of this proposal is that there is no need for expensive infrastructure, just a few signs.
