Comments:

Dear Saskatoon City Council:

I am writing to urge you to vote in support of the recommendation put forward by City Administration to proceed with the required Traffic Bylaw revisions to implement the final steps of the neighbourhood bikeways projects. (Item 9.2.2 Neighbourhood Bikeways 30 km/h Speed Limit Policy on the Agenda for Wednesday, December 20, 2023).

As someone who drives a car, rides a bike, and walks, I applaud the steps you have already undertaken to approve the concept plans for each of these corridors as part of Saskatoon's active transportation plan. I ask that you now move to implement the 30 km/h speed limit for these specific streets, a necessary step in the implementation process. It is quite simply the right thing to do. This change may save lives.

Thank you,

Markel Chernenkoff
