Dear Mayor Clark and Councillors

I'm writing to you to express my concern over the possible cuts and delays that are being discussed in the upcoming multi-year budget.

My biggest concern comes from the fact that the City of Saskatoon's Climate Plan could be cut or delayed. We are living in a time where further delay of climate mitigation is unacceptable and irresponsible. For the 2024-2025 budget, funding towards Saskatoon's Climate Plan and beyond should be given priority.

As a citizen of Saskatoon, I want my city councilor to support and fund programs, services and initiatives that will fight the climate crisis.

Thank you for considering my remarks.

Yours truly

Tim Quigley
