

Inquiries and Notice of Motions – January 2024

ISSUE

Administration is providing an update to City Council on its inquiries and notice of motions as of January 2024.

BACKGROUND

A list of City Council's inquiries and notice of motions is maintained and provided for information semi-annually. As matters are initially reported on, items are updated accordingly by either being marked complete noting final resolution or transferred to a Council/Committee referral list if further reporting was requested of the Administration.

CURRENT STATUS

Administration has undertaken a review of Council's outstanding inquiries and notice of motions (see Appendix 1).

DISCUSSION ANALYSIS

The list contains the subject matter, date of meeting, Council member who made the inquiry or motion, the Division the matter was referred to, resolution (or portion of) and the current status of each item, as provided by Administration. As part of the review process by Committee, items can be removed by resolution should reporting from the Administration no longer be desired, with no formal rescinding process required. Council can also provide feedback on priority of reporting as currently listed.

NEXT STEPS

An updated list is provided to Council approximately every six months - January and June of each year.
