RE: January 31, 2024 City Council Meeting and "The Tree Protection Bylaw."

Dear Mayor Clarke and City Councilors of Saskatoon,

Saskatoon city trees are vital to beautify the street and park landscapes, attract visitors to the city, help mitigate the impacts of the changing environment, and provides habitat for the many birds and wildlife.

Tree Canada supports the approval for the "Tree Protection Bylaw of 2024" and strongly urges the Council to approve and move forward with the bylaw. Tree Canada considers the City of Saskatoon's Urban Forests as a valued Community Asset and has provided funding to the Meewasin Valley to continue the greening and subsequent maintenance of this resource and asset.

Respectfully,

Kelvin Kelly, RPFT, ISA Cert. Arborist
Tree Canada: Saskatchewan Forestry Specialist
