Comments:

Saskatoon needs its trees! Trees are an essential part of beautifying Saskatoon and making the city more livable for the folks who call Saskatoon home. Without its trees Saskatoon would be just another concrete chunk of cityscape--an unwelcoming colorless space besides its roads and buildings. Trees are a crucial part of any vibrant and healthy community, in addition to greenspace. This is why I support agenda item 11.2.1 (Tree Protection Bylaw) to protect the trees that exist in Saskatoon and keep Saskatoon green!

Thank you for reading.

Best,
Ethan Klein
