

STANDING POLICY COMMITTEE ON TRANSPORTATION

31st Street Bikeway Connection to 33rd Street Shared-use Pathway Functional Plan

Recommendation of the Committee

That the functional plan for the 31st Street Bikeway Connection to 33rd Street Shared-use Pathway project be approved with option 5B.

History

The Standing Policy Committee on Transportation, at its meeting held on February 6, 2024, considered a report of the Transportation and Construction Division regarding the above. Various letters were received and considered.

Your Committee has referred this matter to City Council for consideration and direction with a recommendation of option 5B.
