Comments:

I am writing in support of the following motion:

7.2.1 – 31st Street Bikeway Connection to 33rd Street Shared-use Pathway Functional Plan [TS2024-0204]

I support the city administration's plan to create a connecting active transportation route between the 31st St. Bikeway to the 33rd St. multi-use path, and would like to see their recommendations sent to city council for approval.

I believe this kind of connection is vital for a safer, more continuous, and more accessible network for all modes of travel.
