To members of the Standing Policy Committee on Transportation:

I wish to support the following motion:"7.2.1 - 31st Street Bikeway Connection to 33 Street Shared-use Pathway Functional Plan [TS2024-0204]"

I am an avid year - round cyclist, and I strongly support this connecting route to further integrate the existing cycling network, which I greatly appreciate. I sincerely hope submission of this proposal to City Council meets with approval.

Sincerely,  
Royal Burke  
Ward #6
