What agenda item do you wish to comment on ?: 7.2.1- 31st Street Bikeway Connection to 33rd Street Shared-use Pathway Functional Plan

Comments:

I support the city administration's plan to create a connecting active transportation route between the 31st St. Bikeway to the 33rd St. Multi-use path and would like to see their recommendations sent to city council for approval.

Connectivity is vital for active transportation routes to succeed and also for our city to be successful in the future.

Sincerely,
Lynne Meredith
Ward 7
