Comments:

To Members of the Standing Policy Committee on Transportation,

I am writing in support of the following motion:

7.2.1 – 31st Street Bikeway Connection to 33rd Street Shared-use Pathway Functional Plan [TS2024-0204]

I support the city administration's plan to create a connecting active transportation route between the 31st St. Bikeway to the 33rd St. multi-use path, and would like to see their recommendations sent to city council for approval.

As someone that has followed the bikeway from my home to Idywyld and then sat there, strategizing the best way to get me and my kids from this abrupt end point to the multiuse pathway on 33rd, it is very clearly in need of work. This corridor could link west side neighbourhoods all the way to the river with just a little more effort and infrastructure. Please finish this project and make it useable and safe for me and my family.

Sincerely,
Anna Cole
Ward #1.
