Comments:

To the Members of the Standing Policy Committee on Transportation,

I am writing in support of the following motion:

7.2.1 - 7.2.1 - 31st Street Bikeway Connection to 33rd Street Shared-use Pathway [TS2024-0204]

I support the city administration's plan to create more connecting routes for active transportation, and would like to see their recommendations sent to city council for approval.

As a year round cyclist it is so important to have a well-connected network of dedicated bike infrastructure so that I can minimize the time I have to share the road with automobiles. I love living in Saskatoon. I love riding my bike. I love getting home safely everyday.
