Comments:

To His Worship Mayor Charlie Clark and Members of the Standing Policy Committee on Transportation,

I support the city administration's plan to create a connecting active transportation route between the 31st St. Bikeway to the 33rd St. multi-use path, and would like to see their recommendations sent to city council for approval.

I believe this kind of connection is vital for a modern city that is keen to integrate current infrastructure into a safer, more continuous, and more accessible network for all modes of travel.

I want this kind of city.

Sincerely,

Tyrell Harder
