Comments:

Would just like to highlight "Significant increases to Transit and Access Transit revenues and a quicker return to pre-pandemic ridership resulting in \$3.5 million in higher than budgeted revenues."

Something to keep in mind when looking at getting the BRT and network redesign accelerated as much as possible. People are hungry for better transit. And it doesn't stop with the BRT lines. Incremental improvement to streets with transit supportive roads will be super helpful.

Will you be submitting a video to be vetted prior to council meeting?: No
