Comments:

I am writing to oppose and ask Council to not endorse/oppose the plan for a 2nd Phase of the proposed Saskatoon Freeway. I am not necessarily opposed to a freeway (although I would be more in favour of public transportation, walking and bicycle infrastructure investments). I am particularly concerned that the proposed route will drive traffic near or through the Northeast and Small Swales, disrupting 49 species of concern. Further, I would recommend that the city turn both Swale areas into protected and naturalized areas.

Thank you.
