What do you wish to do ?: Submit Comments

What meeting do you wish to speak/submit comments ? (if known):: Regarding the proposal to build 10 lanes of new perimeter highway through the Swaile in Saskatoon which is near Sutherland and the South Saskatchewan River

What agenda item do you wish to comment on ?: Please divert the new perimeter highway away from the North East Swaile which is near Sutherland so that we can protect this very important natural habitat.

Comments:

Please protect the north east swaile land and do not build a 10 lane perimeter highway cutting through this unique and valuable natural habitat which touches on the north east corner of Saskatoon near Sutherland. This is an urgent request to protect what little natural and viable habitats remaining in Saskatchewan. Thank you
