To Saskatoon City Council,

It has come to my attention that Councillor Block (Ward 6) has introduced motions to council that would attempt to

address cycling safety concerns at the intersection of College Dr. and Wiggins Ave. These motions include:

- a third party road safety audit at the intersection
- funding for the above audit
- an update on the implementation of the Active Transportation Plan
- a budget option for an annual Road Safety Audit program

I support these and any future motions that urgently address safety for people riding bikes with a focus on infrastructure for all ages and abilities.

Twice every weekday, I ride my bike through the intersection of College Dr. and Wiggins Ave. Cycling has enriched my life, and I do not want to be afraid to ride my bike due to feeling unsafe.

The right time to improve cycling safety is NOW.

Thank you,

Arika Block
