Comments:

Good morning.

This letter is being directed to Council in favor of funding the future pedestrian / cycle crossing.

Its been frustrating for my wife and I to have to walk to 51st Street each and every time we want to walk to Value Village or Mission Thrift, or for that matter, any store on the other side of tracks. After my wife was stopped by the CN police for illegally crossing the tracks at Warman & Assiniboine, the fear of getting a criminal record for illegally crossing the tracks has prevented Rita from many a walk to the North Industrial District.

There are many people that cross the tracks at Warman and Assiniboine each day illegally. This project needs to be a priority for the City of Saskatoon and CN to remedy.

For those of us that rely on walking or using a bike to get around, having a legal crossing near Warman & Assiniboine would be a great asset.
