Comments:

I'm writing again to urge City Council to vote No for the Phase 2 Saskatoon Freeway proposal. I am opposed to the project for the following reasons:

The project would cut through the North and Small Swales bringing heavy traffic to the area. It would cause irredeemable damage to an important conservation area close to our city. The Swales are a diverse natural area that includes both plants and animals that are under conservation concern.

I recognize that Saskatoon needs improved infrastructure to accommodate the increase in traffic as our city grows. My hope is that a No vote from council could bring about a modification to the Freeway project that would bypass the Swales.
