What agenda item do you wish to comment on ?: Proposed Freeway Expansion through Northeast and Small Swales

Comments:

Please do what you can to preserve the Northeast and Small Swales. These natural beings, especially those who are conservation species of concern, deserve protection. Also, it is becoming increasingly well documented in scientific research that spending time in natural settings is essential for humans' physical and mental health. Please do not deprive current and future generations of Saskatoon residents of the great wellness resources that the Northeast and Small Swales are.

Please do what you can to protect these precious beautiful natural areas. Please vote against the proposed freeway expansion plan, that would create so much unnecessary damage. Please press the province to come up with a better, more environmentally responsible freeway expansion plan.
