**Comments:**

I've just seen the recommendations of the Standing Policy Committee on Transportation and am appalled that none of the cycling specific recommendations will be considered. Do you not understand that a person died here? I saw Natasha's mangled trailer under the wheels of that truck and what I can only assume was her body on the ground as I commuted home by bike that day myself. I've also had multiple conversations with the same construction company that is responsible for her death about continuous unsafe driving throughout our city.

As a bicycle rider, the casual acceptance of Darin and Natasha's deaths are terrifying. I'm not surprised by your inaction but I am terribly disappointed.
