What agenda item do you wish to comment on ?: Agenda Item 7.1.1 Connecting 2nd Avenue/3rd Avenue: Walking, Cycling, and Driving Improvements

Comments:

I urge you to approve the recommendations of administration regarding Connecting 2nd Avenue/3rd Avenue,

Walking, Cycling and driving Improvements, including the recommendation for Option 2B, which would add safety features along the merging stretch of 2nd and 3rd Avenues, such as pedestrian actuated signals and a separated shared-use pathway. I have cycled to businesses in the area along 2nd Avenue/3rd Avenue but once it passes Duchess St toward 33rd Street I find the traffic very intimidating. The recommendations set out in option 2B would make this area safe for cycling and walking and also safer for driving as well with the lane widening that is part of the project.
